BRAWL GUY

Keep on the good work, I think I've gone mad over MAD cause its a good mag.

P.S. Could you please send me a copy of MAD with Raiders of the Lost Ark because that's the only one I missed out on.

Dear MAD,

I've been reading MAD for about 1 year and 4 months and get a big laugh out of it. My Dad enjoyes it to, he's been reading it since he was a boy and likes it. I have just finished reading No. 233 and thought it was real good especially "The Brawl Guy".

P.S. Could you please do a satire on "Sale of the Century", "Ford-Super Quiz" or "The New Price is Right".

P.P.S. Can you please send me an autographed picture of Don Martin.

Yours faithfully:
David McCulloch

MASH

Dear Head Bangers

"M*A*S*H' is a S*M*A*S*H! But your satire of it was T*R*A*S*H! Keep your rubbish coming, because it's exactly the sort of garbage this polluted world needs.

Brett Jenkins
Bendigo, Vic.

Dear Demented Dodos,

I'll sue you guys for ¢ you own — all 26 of 'em. After reading your banana-brained sattire on "M*U*S*H", in no. 234, I was in fits of laughter — I mean real fits. Mum took me to a shrink, but it was no good. Your filthy, distasteful, overpriced magazine had made me demented.

By the time I'd finished reading, "20/30", I was in an institution for the mentally insane. The doctor's bills were so high, we're ruined now, thanks to you gherkin headed turnips.

Gotta go, I'm due for an appointment with my shrink,

A CRAZY lover, (Felicity Lewis),
Lower Templestowe

P.S. I'll get the Maffia on to you guys.
P.P.S. Keep up the good work.

Dear (indubitably) MAD

I've just finished reading M.A.D. No 234. Which was idiotic, full of stupid remarks in other words without a doubt quite marvelous. I have only read 4 MAD album which I've thought were idiotic, full of, wait a minute I've been through all that, I'll start on something fresh. Could I have Don Martin's and Al Jaffee's autograph. And one more, has Alfred ever had an operation to have something out like a brain.

Yours madly

HAM FROM SNOWY LIVER

Hi Ed.

I am writing in to congratulate you on "The Ham from Snowy Liver" which was sick (as usual).

The Lust boat was stupid, boring, awful, sick, vile, discusting and unreadable. But apart from all of that it was good and tipical of MAD Magazine.

P.S. Why don't you write a story on Chips and call it Drips.

P.P.S. Not kethcup, Sauce we're not YANKS.

Dear MADmen

I have been reading MAD for about 1 year and have about 20 mags and love every one of them. I love no. 233's cover it's fab. And I love no. 226 with Superduper man II it was dum, stupid, id otic and most of all MAD but I loved every hundredth of a second of it.

WOT ME WORRY?????

P.S. Put a full MAD on DON MARTIAN.

P.P.S. Put two full MADS on SPY vs SPY.

P.P.P.S. Put 3 full MADS on FOLDINS.

Keep up the MAD work

Dear Comedians,

I hope you will include this letter in your **letter dept.** As I was reading your most incredibly, humorous mag in class the teacher said, "if you don't stop reading during the lesson I will absaloatly polferiys the mag." I was thuruly discustered with her so I kept on reading. After a while she came storming over, my heart was pounding I was so scared for the mad, she took the mag off me and put it in her draw. As the class went to lunch I heard shuffling of paper I looked around the door and saw that she was reading the mag, she saw me and stuffed it in her draw. I was so very puzzled.

P.S. Sorry about spelling.

P.S.S. Is there a prize for writing in. (Please)

P.S.S.S. May I have a poster of the team. (Please Please).

Dear Sir, Alfred, Ed or who ever reads this peice of scrap paper I managed to harvest from the gutter in Madison Ave.

I think your mag's are the best, your artists are the best and your jokes are the best, but theres one slight problem. Alfred E. Neuman has a rude head, especially when you put him on the cover of No. 232.

I'm sorry I had to say that, but sometimes you just have to let it out, y' know?

Theres just one more thing, "Oh!" I'm not getting you down am I? I don't like getting people down, especially myself. Anyway, what I'd like to know, is, how come grandmothers hate MAD maggo's. e.g. Take the other day when my yearly exam had finished and I was reading a MAD and Me Grandma . . . you sure I'm not getting you down? I hope I'm not. Anyway me Grandma comes up to me and unexpectedly shouts in my ear. "Put that comic down and read a decent book for a change!!! See what I mean . . .? I have got you down, haven't I? I knew I'd get you down. I didn't mean it y' know. Uh, Oh, my pen's starting to cough. I'll have to sign of know,

Yours non compos mentis,
S. McRae

Dear Mad,

I buy your Mad Magazine every month and I enjoy reading them. I would like it if you would send me a poster of Alfred E. Neuman as I would like to sit and look at his stupid face. Thank-you.

Dear MAD,

Your MAD mags drive me MAD because the peoples cartoons drive me MAD I like Don Martin Spy vs Spy Dave berg and the other gang of idots.

And I shouldn't forget Al Jaffee hey Don Martin maby you could make up a little book with your own cartoons and sell them to AUSTRALIA anyhow I like your mags.

Here is a picture of me going over a MAD mag.

Gentlemen,

Seeing the cover of your latest effort, MAD No. 234, I gleefully looked forward to your M*A*S*H satire. I was to be disappointed. Why wasn't Mort Drucker, who did the cover so brilliantly, used in the actual article? We found instead the debatable talents of Jack Davis. Why not use your top artist for your lead article? The satire itself was poorly written with a negligable plot. It was just a series of snide and cynical one-liners. Whatever happened to the good old days of "Both Casually and the Somedunce Kid"? Yours in a disgusted fashion,

J. Lee Barker

P.S. If this is not printed, I will take it for granted that you only print sickening "New to MAD" letters, and not constructive criticism from an experienced reader.

NOTE TO PRINTER
Do NOT print this letter.
Burn it. We don't want
criticism like this to get about.

Dear ED,

Guess what! ... I have united for Alfheads sake and written,

The only part I liked in your last recent issue (MAD Takes Off On Vacation) was the fold-in which now hangs among my Playboy pin-ups.

P.S. I have enclosed 10 dollars in Monopoly money for you to send me a copy of the MAD SPORTS issue which I missed when it came to our News Stand.

PP.SS. I have also enclosed an extra 500 dollars as tip to keep your @'&£!D mag going.

Recently, we asked one of our idiot artists to do a drawing of a "Discount Stereo Hi-Fi Store." Unfortunately, he didn't do a

HOW MANY MISTAKES CAN Y

very good job. In fact, he made a lot of mistakes . . . 20 in all!
And now, it's up to you to find them. Which is why we're asking:

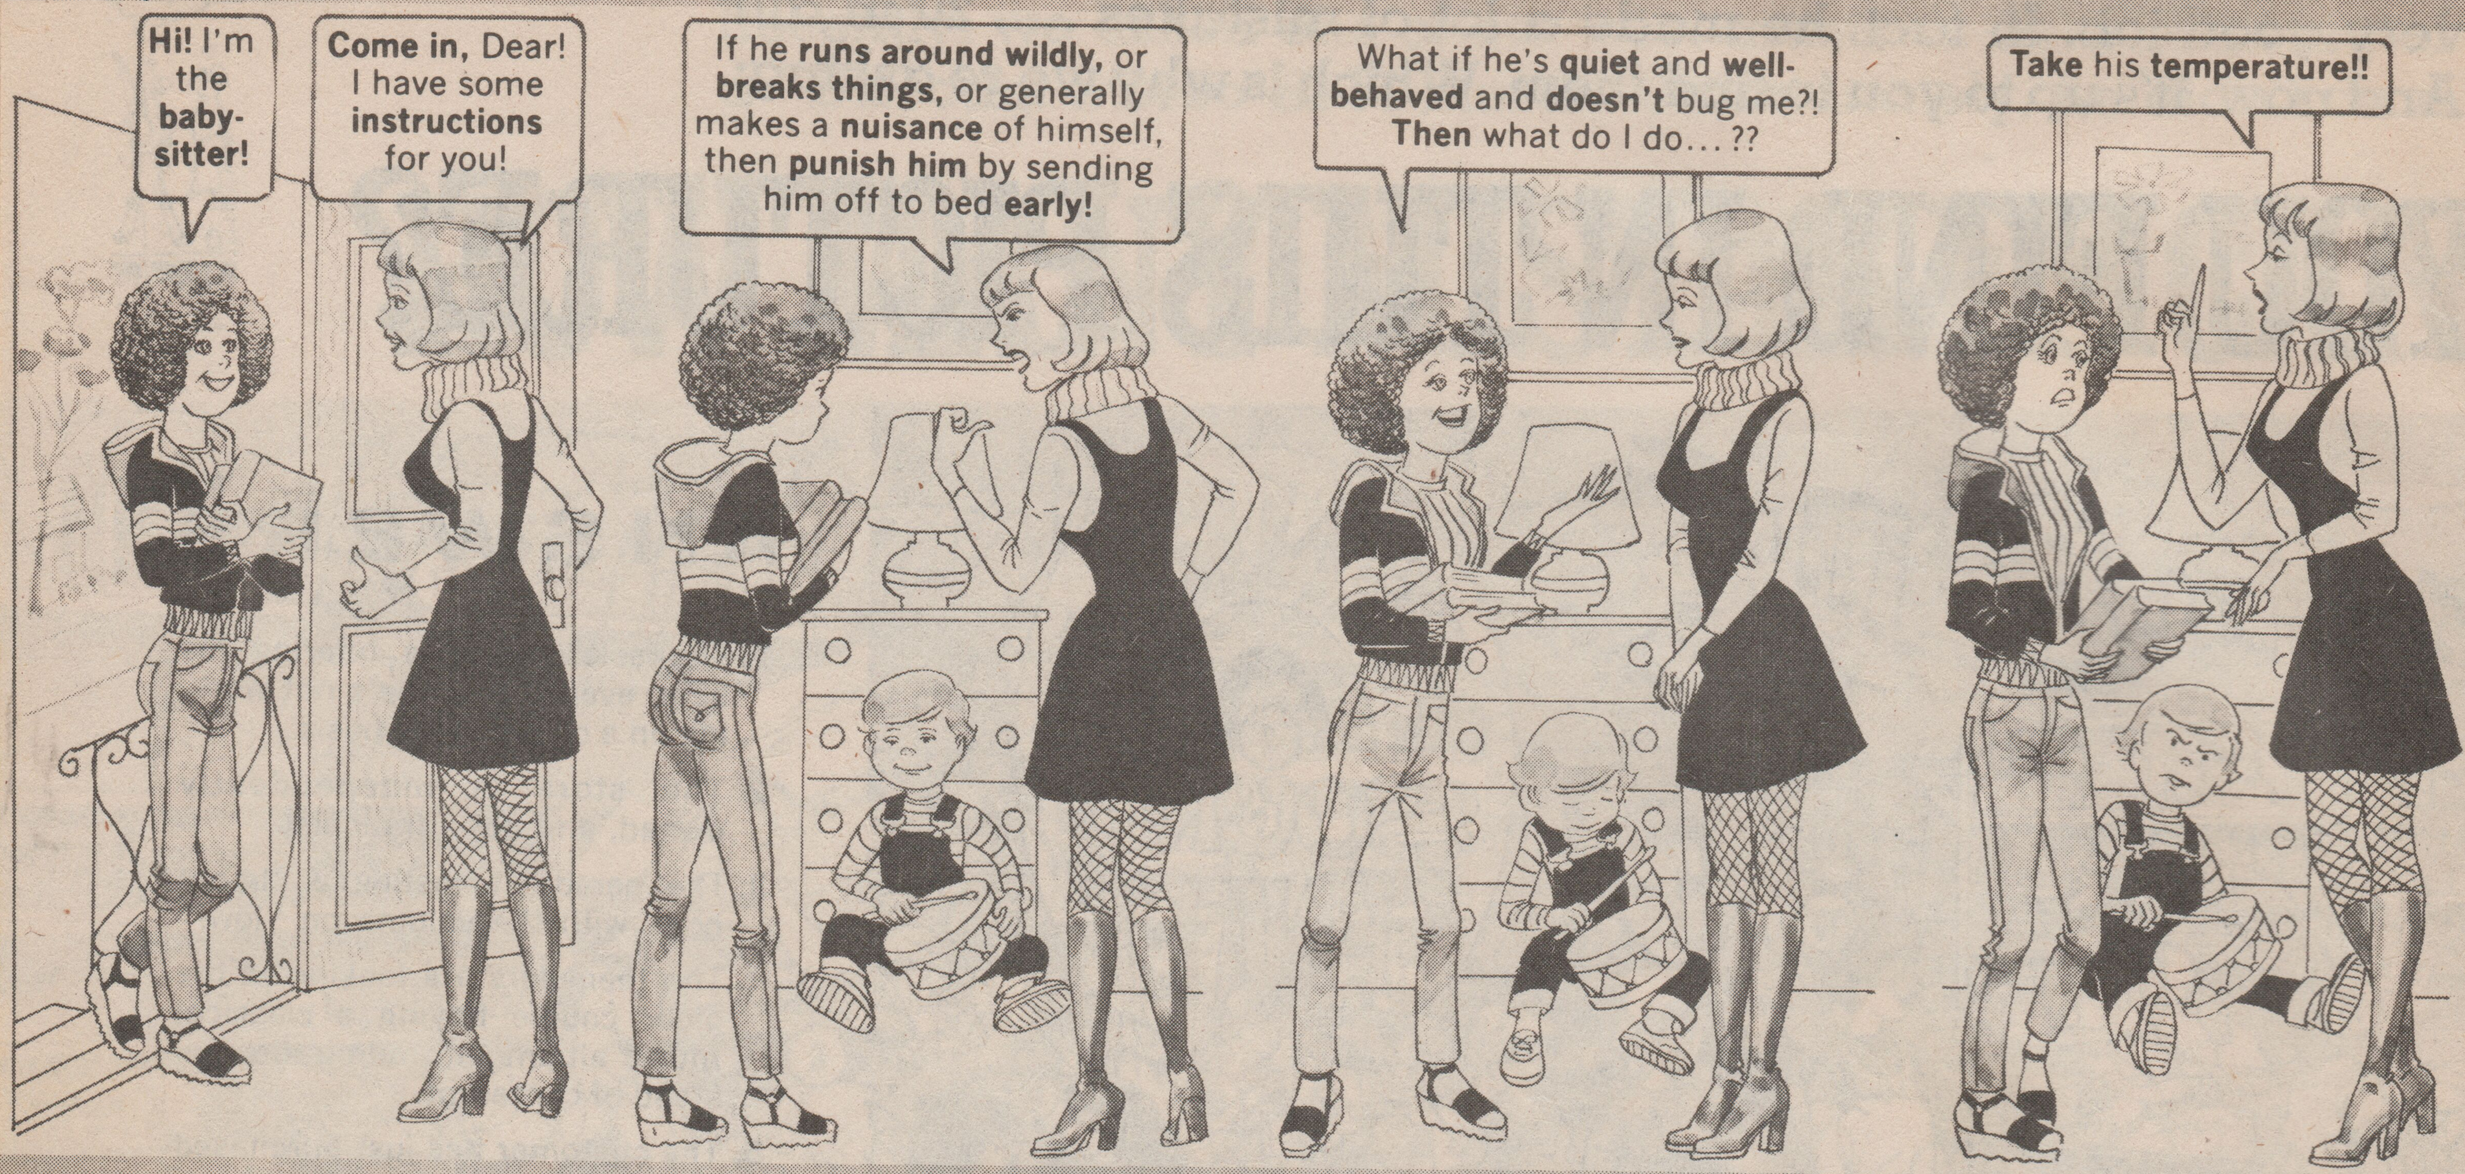

N YOU FIND IN THIS PICTURE?

ANSWERS

1. The salesperson is offering his help, even though he's not working on a commission basis.
2. The store is independently owned, and not a franchise.
3. The person is testing a "boom box" with the volume on "low."
4. The teenagers are looking at the older couple buying a classical music album with admiration instead of contempt.
5. The customer has just purchased an "American" brand stereo set.
6. The guy is actually buying a pair of stereo headphones for his parent's sake so they won't have to listen to his music.
7. The salesperson is not telling the customer that he just bought "the best stereo in the shop!"
8. The employee is removing all the warped record albums.
9. The girl actually believes that her favorite rock singer doesn't do drugs.
10. None of the customers have zits.
11. The punk rocker is wearing only one safety pin through his ear.
12. The guy wearing the army fatigue outfit is really a veteran.
13. Someone over the age of 14 is buying a "Kiss" album.
14. The "free music magazine" contains more articles than ads.
15. The guy with the stereo headset isn't on roller skates.
16. The Debbie Boone album is a hot seller.
17. Bach is being played through the store's music system.
18. The record albums are actually stacked in alphabetical order according to the alphabet.
19. The "Specially Priced" albums are really priced lower than the other albums.
20. The cassette tapes are easily accessible, and not hidden behind 6" bullet-proof glass.

IF YOU THINK THINGS ARE... BAD *WELL, THEY COULD BE...* WORSE *IN FACT, THEY COULD BE...*

IT'S BAD...

. . . when you get a flat tire in a tough neighborhood late at night!

IT'S EVEN WORSE...

. . . when you find that you don't have a jack handle in your trunk!

IT'S DOWNRIGHT HORRIBLE...

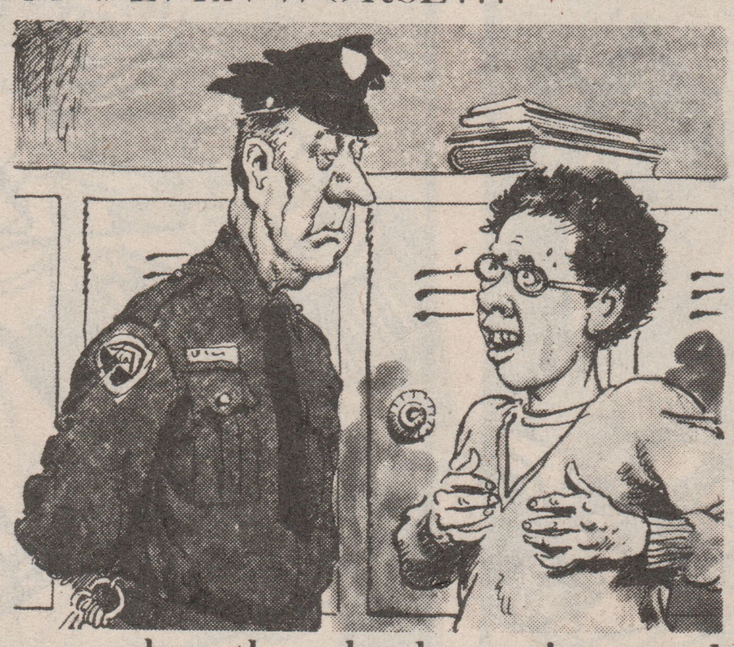

. . . when you suddenly discover that the only person around who does have a jack handle is about to bury it in your skull!

IT'S BAD...

. . . when you put your term project in your school locker . . . and then can't remember the combination of the lock so you can get it again!

IT'S EVEN WORSE...

. . . when the school security guard won't help you because you cannot produce an I.D. card to prove that the stuck locker is really yours!

IT'S DOWNRIGHT HORRIBLE...

. . . when you finally talk him into helping you, and find that you've accidentally had him open the locker next to yours . . . which just happens to be filled with marijuana!

IT'S BAD...

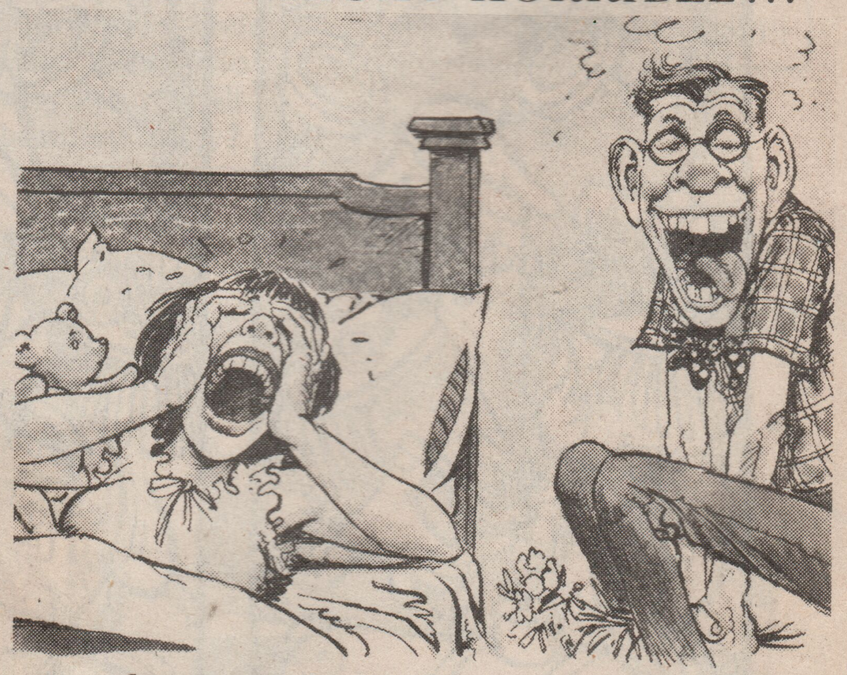

. . . when you feel like you're coming down with the flu the week of your Senior Prom!

IT'S EVEN WORSE...

. . . when you are sick, and it turns out to be mononucleosis!

IT'S DOWNRIGHT HORRIBLE...

. . . when everybody knows that the only person you could've caught it from is the biggest nerd in school!

DOWNRIGHT HORRIBLE

ARTIST: HARRY NORTH WRITER: TOM KOCH

IT'S BAD...

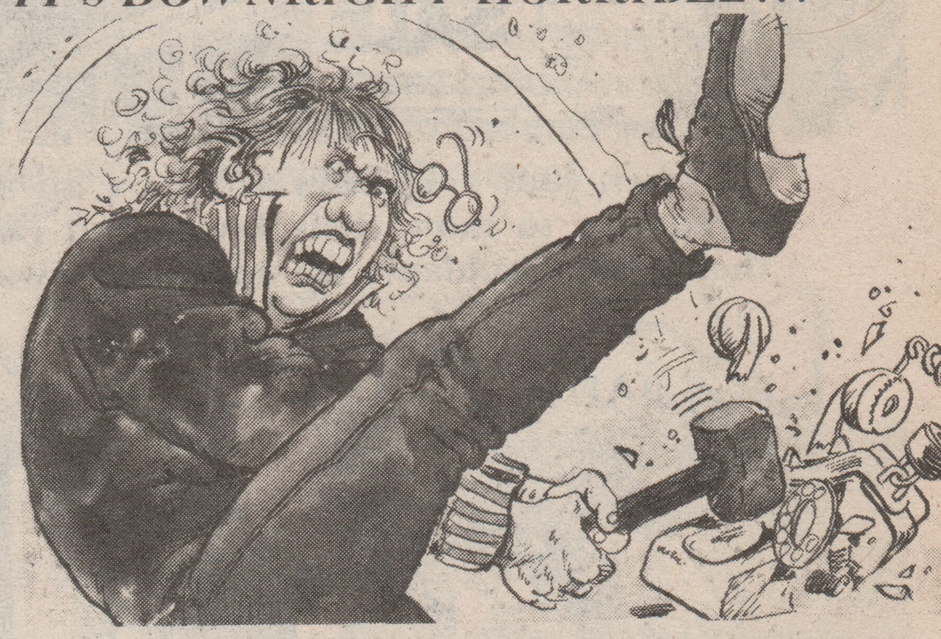

. . . when your telephone privileges are taken away from you just because you accepted a collect call from your sailor boyfriend stationed in Korea!

IT'S EVEN WORSE...

. . . when the phone suspension continues, although you urgently need to spread the news that your school's sex symbol is three months pregnant!

IT'S DOWNRIGHT HORRIBLE...

. . . when your folks maintain the ban even after a local D.J.'s announced that you'll win a free record album if you call the station immediately!

IT'S BAD...

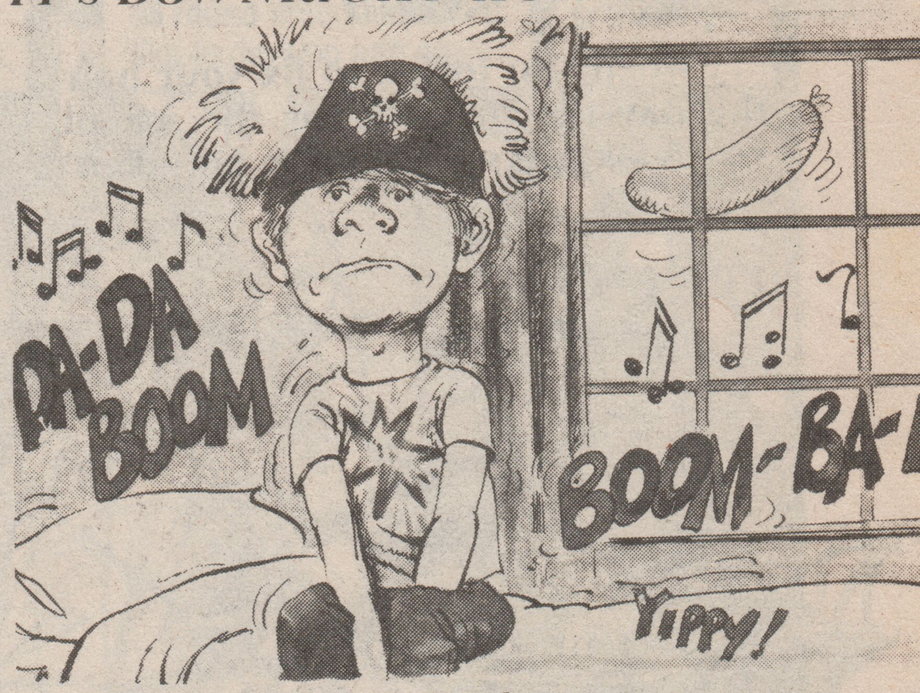

. . . when you're disciplined by being confined to your backyard . . . while your friends are all at a birthday party right next door!

IT'S EVEN WORSE...

. . . when you're confined to the house . . . while your brother is having his birthday party right out in the yard!

IT'S DOWNRIGHT HORRIBLE...

. . . when you're confined to your room . . . while your very own birthday party is taking place right down stairs!

IT'S BAD...

. . . when a big guy with lots of tatoos asks whether the seat next to you is taken, and you're afraid to say "Yes!"

IT'S EVEN WORSE...

. . . when the huge guy sits down, and you immediately sense that he hasn't taken a bath in at least two weeks!

IT'S DOWNRIGHT HORRIBLE...

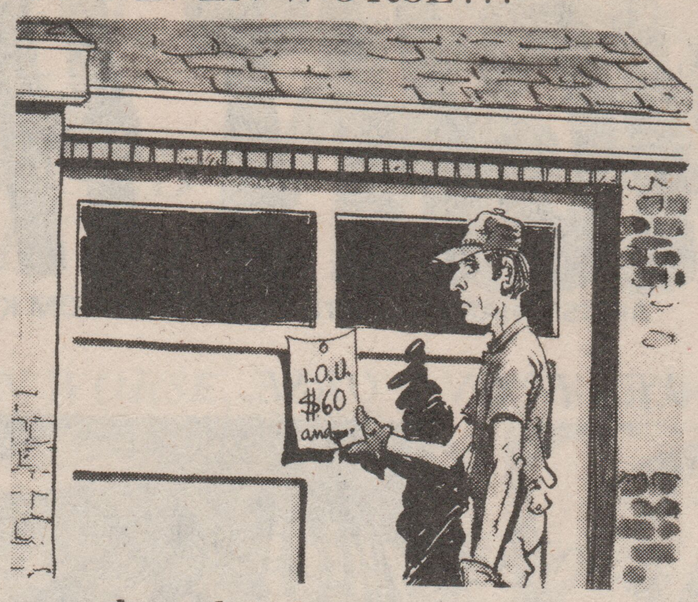

. . . when the girl for whom you were saving the seat accidentally sits down in his lap . . . and five minutes later, they leave the movie together!

IT'S BAD...

. . . when your neighbors who have always hired you to mow their lawns and rake their leaves suddenly up and move away!

IT'S EVEN WORSE...

. . . when they leave still owing you for the last six weeks work you did!

IT'S DOWNRIGHT HORRIBLE...

. . . when they not only leave without paying you, but they also take your lawn mower and leaf rake with them!

IT'S BAD...

. . . when you forget to fix your hair the day the pictures for the school yearbook are scheduled to be taken!

IT'S EVEN WORSE...

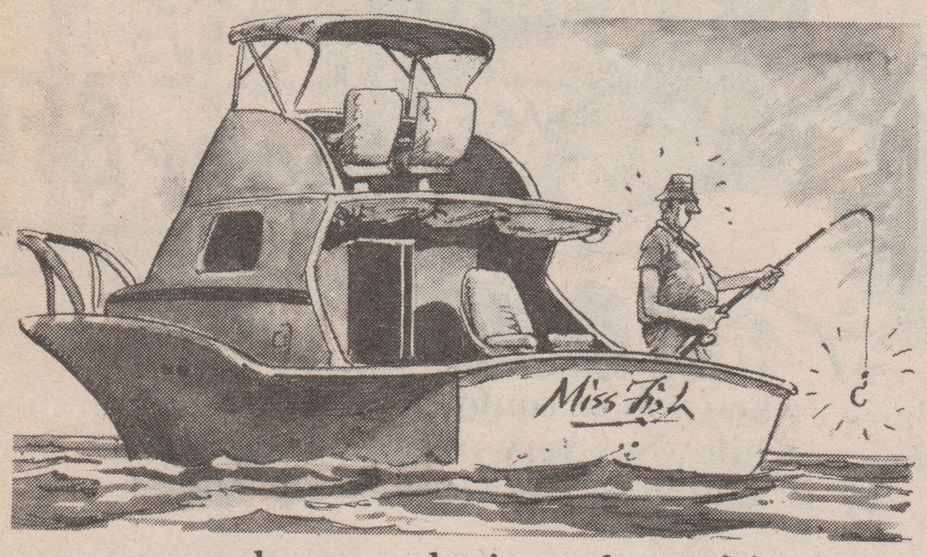

. . . when the photographer catches you at the exact moment you have your eyes shut tight . . . and your mouth wide open!

IT'S DOWNRIGHT HORRIBLE...

. . . when your portrait photograph is the one he humorously chooses to display prominently in his shop window!

IT'S BAD...

. . . when you don't catch anything on your fishing trip after you've already invited the guys over for fish dinner!

IT'S EVEN WORSE...

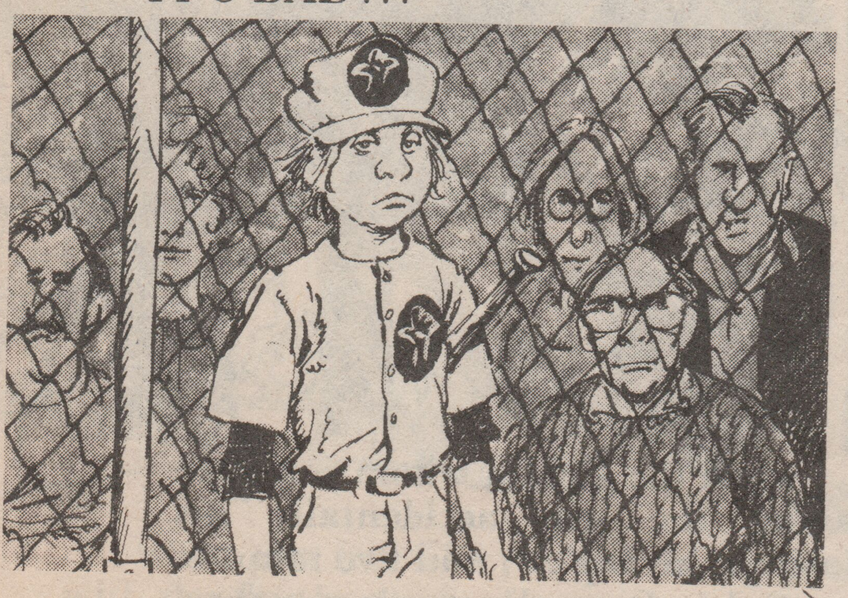

. . . when you try to fake success by buying fish at a market and the guys identify it as a species from Norway!

IT'S DOWNRIGHT HORRIBLE...

. . . when the fish you bought causes all your friends to get food poisoning . . . and one of them is a lawyer!

IT'S BAD...

. . . when you're in Little League and your folks don't come to the games!

IT'S EVEN WORSE...

. . . when they come to the big game, and they boo you because you strike out three times and make six errors!

IT'S DOWNRIGHT HORRIBLE...

. . . when they come again . . . and laugh at you because you've been demoted to team mascot and have to wear a chicken suit!

Usually, sequels to successful movies are total disasters. But the Producers of the "Star Blecch" series have it all backwards. The original was a total disaster and, by comparison, the sequel was a lot better! We're talking about

STAR BLECCH

How do you feel on your first solo mision as **Commander** of a **Starship,** Lieutenant Savvy?

Confident!

Mayday!! MAYDAY!!

Confident that we are in **very big trouble!!**

Commander, we've got **total compressor failure,** and a **complete power unit gasket blow-out!!**

Uh... is that **serious...?**

Is it **serious?!** That means **no frozen yogurt** or **ice cream** for the **rest** of this **mission! I'D** call that **SERIOUS!!**

This is the **engine room!** The **security lock** has been breached, the **sterilization zone** has been violated, and some dumb idiot left the **trunk lid** open when we pulled away from the **garage!**

I **don't** think Lieutenant Savvy **studied hard enough** for this training mission!

How do you study for **"explosions"?**

MAYDAY! EMERGENCY!

YOU'RE IN BIG TROUBLE!

LOOKS LIKE WE'RE FLYING THE **UN**FRIENDLY SKIES!

ON THE STARSHIP "U.S.S. REFINANCED"...

Checkoff... our mission is to seek out and explore areas that are **devoid of life forms,** so we can use them as subjects for **"Project Geritol"!**

Well... we've **already** checked out **Hollywood!** Where to **next?**

Wait a minute! Our sensors are picking up **life forms** on **Alpo V!**

Impossible! Not even a **DOG** could survive **that** environment! Let's **beam down** and see what's **going on!**

I **don't believe it!** It's the wreckage of the Starship **"Botany Tie"!** Look! There are piles of **dirty dishes** that have been accumulating for **years!**

It's rather **obvious!** A **bachelor** must live here!!

Very observant!

My God! It's **KORN!!** You're **alive!!**

Yes! I am **alive,** and I **never forget** a **face!** How are you doing, Richmond?

Sorry, my name is **Checkoff!**

I **never forget** a **face! Names?!** They give me a **real problem!**

Your friend, Curt, had us fired off into space to spend all of eternity in **suspended animation!** So for fifteen long years, all I've seen is **Pluto!!** Not even **Donald Duck...** or **Mickey Mouse!!**

And for **GOOD REASON!!** You tried to **take over** the planet Earth! If you'd had **your** way, that poor planet would **now** be suffering from **wars, inflation, high taxes, unemployment** and—and—

Hey...!! Did you give your plan to **someone else** to put into operation?!

I have a little **surprise** for you! These **slimy little BUGS** are the **only life** that **exists** on "Alpo V"! They enter the **ear** and seek out the **brain!** Their **prey** becomes extremely susceptible to **suggestion!**

But look at the **BRIGHT side!** You'll have a **"pet"** for **life!** You'll never have to take him for a **walk** or **feed him!**

Happy birthday, Gym! I brought you a bottle of **brown wine!** It goes with **so many more dishes** than the everyday **green** wine!

Oh, yeah...! Thanks!

Gym, are you feeling **moody?**

No! Yes! Maybe I **am!** Maybe I'm **not!** You may be **right**... but I don't **think** so!

Y'know, Gym, you **should** be back in command of a **Starship!** Desk work **doesn't agree** with you! I speak as your **FRIEND** and as your **DOCTOR!** As your **friend,** I suggest you do it for your **health!** As your **Doctor,** you owe me **$50.00** for **medical advice!**

BROWN WINE

It's **really good** to see you back on the **flight deck** of the **Boobyprize,** Admiral Curt! Are you **still** feeling **badly** about reaching **middle age?**

Not any **more!** My mind is as **sharp** and as **clear today** as it was when I **first took Command!**

Oh-oh! We could be in **BIG TROUBLE!**

This is for **real** now, Lt. Savvy! Have you ever taken a **Starship** out of it's **mooring?**

No, Sir!

Then this if **your chance!** Do you think you can **handle** it?

Yes! If I remember my **four years of instruction** and my **training manuals** correctly, I **push this button** marked **"TOTAL AUTOMATIC DOCK DEPARTURE"!**

You **forgot two items,** Lieutenant! You must **ALSO** always hit the **"STAR BLECCH THEME"** button— and the **"AUDIO UP"** button!!

Irregular One, this is **Checkoff!** We have been ordered to **pick up** all work done on **"Project Geritol"** and **assume responsibility for it** from here on!

What?!? Listen, **I'm** not giving up **"Project Geritol"** without checking with **Adm. Curt** first! And if you **don't like it,** you can **stick it in your ear!!**

They **already did!!**

Admiral Curt, this is **Dr. Markus** on **Irregular One!**

crackle... crackle...

Admiral Curt, can you **hear** me! There seems to be **terrible interference!**

crackle... snap... pop!

Just barely, Dr. Markus!

crackle... snap... crackle

You'll have to **speak louder!** I'm eating a bowl of **Rice Krispies** and they're making a **terrible racket!**

snap... crackle... pop!!

Sorry, Admiral! We're **losing** the **picture!** It's just **snow** and **shadows!**

With all the **money** they **spent** on this ship, you'd **think** they could afford a **good roof antenna** for the **TV set!**

We **better** find out what's happening on **Irregular One!** Since that means going on **Active Duty,** the **Senior Officer** should be in charge!!

But, **Spook...** is that **fair??**

Admiral, I have **no ego** to **bruise!** And **besides...** if **you** screw up, it **won't** go on **MY record!!**

Attention, Crew! An **emergency situation** has come up, and **I'm** taking **command** of the **ship!**

If **THAT** isn't an **emergency situation,** I don't know **WHAT IS!**

Spook... **WHY** do you think **Irregular One** isn't answering our **calls?**

There are **five possible answers,** Admiral! They are **unable** to, they are **helpless** to, they are **powerless** to, they are **incapable** of, or they **just plain can't!!**

What a **mind!!** What a **mind!! AGE** doesn't affect it **at all!!**

Computer, give me all the data that you have on **"Project Geritol"!**

I—cannot—release—classified—data—unless—you—give—me—special—code—word! Can—you—give—me—special—code—word...?

Uh... **negative!**

Very—good!! Negative—is—special—code—word! Here—is—all—the—data—I—have!

Admiral, a **ship** has just entered our **"too close for comfort"** zone! It's the **U.S.S. Refinanced!!** And its **defense shields** are **up!**

They're **attacking us!!**

Admiral... should I call **General Alert?**

Why? Is General Alert **aboard?**

It's a **condition,** Sir, **not** a **person!** We've got a **MAJOR DILEMMA** here!

In **that** case, you'd better call **General Alert AND Major Dilemma** to the **bridge**... at **once!**

Admiral Curt ...**give up!** I have you **completely surrounded!**

You're in **one spaceship!** How can you have us **completely surrounded,** Korn??

It **happens** to be a **VERY FAST** spaceship!

Listen, all you **REALLY** want is **ME,** Korn! I'll beam myself aboard...!

I want **YOU...** and all the data on **"Project Geritol"!** You have **sixty seconds!!**

Sixty seconds?!? I need **more** time that **that!** Give me at least a **minute!**

Okay! **One minute!!** You're **lucky** you caught me in a **generous mood!**

Every Starship has a **super secret code number!** If we could come up with the **secret code number** for the **Refinanced,** we could **control** their **ship** with our **own computer!!**

Come on!! It would be almost **impossible** for one to...

FOUR—ONE—TWO!

That's IT! That's their **secret code number! Brilliant,** Admiral! We've got them **defenseless!!**

With **Korn** and the **Refinanced out of the way,** it gives us this chance to beam down here to **Irregular One** so we can see exactly what's going—**OOPS!**

Hey, **Spotty!** What's wrong with the **transporter?!**

I WARNED you! I TOLD you the Boobyprize had only about **HALF** the **power needed** to beam you down there! But, did you **listen** to me? **No!** You **went anyway!!**

Spook on the **Boobyprize**—to **Admiral Curt** on **Irregular One!** The situation here is **getting worse!** We're losing **more power!** Right **now,** we've got **only enough** to **finish** beaming you **down**... and **then** just beam your **SHOES back up!**

Spook, these are your orders! If we are **unable** to **return** to the **Boobyprize** in **one hour... leave without us!** Take the ship to the nearest **star station** and call **All-Space Insurance!** Tell them all the damage was done in a **parking lot** while the crew was inside eating in a **restaurant!**

It's **Checkoff** and **Captain Terroryell!! Checkoff...** what are you doing with that **gun!?!**

Don't move, Admiral! You don't know how **hard** it is for me to **shoot** you!

Your **feelings** for me run **that deep,** huh?

What feelings!? I've got **terrible aim!!**

Captain Terroryell just **shot himself!**

Boy, he has **worse aim** than **Checkoff!**

Checkoff seems to be coming back to his **senses** again!

Look what I found in his **ear,** Sir!

Hmmm! I **KNEW** something was **BUGGING** him ...but **THIS** is absolutely **ridiculous!!**

So you want to know what we've been **doing** down here on **"Project Geritol"**, eh, Admiral? Well, take a **good look!!**

You...?!? You made those **mountains?** You created those **trees** and those **rocks** and that **waterfall** and—

What are you **talking** about?! That was **all here!** I **planted** those **TULIPS!** Kind of sets the whole thing off **nicely,** doesn't it!?

Okay, Spook! You can **beam us back up** now!

Beam us back up? But I thought the Boobyprize had a **TOTAL POWER FAILURE!!**

Let's call it a **little deception,** my dear...

I get it! To **fool Korn!!**

Yes, **partly** to fool Korn... but **mostly** to fool the **Interstellar Utility Company!** It keeps our **electric bills reasonable!**

NUDIST COP

Damage, Spotty?

No, thank you, Admiral Curt! We have **plenty** of it **already!**

Korn can easily **out-manuever** us, **out-run** us and **out-gun** us! And **yet,** you seem so **UNWORRIED,** Admiral!

Don't worry, Spook! We will come out **on top** in the **long run! Korn** isn't the **ONLY one** who can make a **FANTASY come true!**

I'm picking up a **very strange energy source** on Refinanced ...one that I've **never seen** before!!

Good Lord! They've set **Geritol** for **detonation!**

HOW dangerous IS Geritol!

VERY!! It's got the power of **two million bottles** of **prune juice!!**

Spotty! Get us **OUT** of here!!

We're **not** going **anywhere,** Sir! The **nuclear reactor** is out!!

MR. SPOOK!! You **can't** go in **there!** There are fifty million-zillion units of **radio-activity** in there!

Don't worry, Mr. Spot! I've got **gloves!**

NUCLEAR REACTOR ROOM

NO ADMITTAN... THAT MEANS NOBOD...

I **fixed** the **reactor,** Admiral! I—I think we're **out of danger!**

WE, yes! You...?! Don't ask!

Well... there goes the **WRECK** of **KORN!** But he **sure keeps on fighting**—down to his **last breath!**

Just you **wait,** Admiral Curt! You're **going** to **hear** from my **LAWYERS!**

ENTERP...

BLAM!

We are gathered to pay our respects to a very special human be—*er*...person—*er*...**Vulgan!** His **heart** was **big,** his **mind** was **broad,** his **spirit** was **gigantic,** and his **ears**—his **ears**—

Well, **enough sentimentality!** Fire his cof-fin into space!

WHY did we **kill him off** in this movie, Sir?!?

He **wanted** to try **other things!** So far, the **only** thing he's got lined up is **an-other "In Search Of..." episode!**

"Leonard Nimoy ...In Search of an **Acting Career"!**

Don't worry! **He'll** be **back** for **"Star Blecch III"!** It's the **only logical thing to do!**
